CARPENTIER WILL RETURN TO FRANCE MUCH WEALTHIER

French Pugilist Will Probably Return to America in October.

By Associated Press.

NEW YORK, July 7.—George Carpentier will celebrate the next anniversary of the fall of the Bastille by moving approximately \$100,000 in good American dollars out of the country on a French liner.

The heavyweight champion of Europe sails July 14 on La Savole for the dear France. He returns to his native land still a hero.

After receiving the pasha of his countrymen and banking his share of the spoils from Boyles thirty acres at a generous rate of exchange, Georges will come back and fight some more. He likes America.

Within the next few days Carpentier will make his contribution of \$75,000 to Uncle Sam, close his training camp at Manhasset and come to a definite understanding with Tex Rickard as to the date of his next bout on American soil.

Gibbons a Logical Opponent.

Tommy Gibbons is the leading logical candidate for Carpentier. This bout will be billed for the light heavyweight championship of the world but Gibbons has no sound claim to the American title. Francis Dempsey says Carpentier will NOT be ready to fight on Labor day. He plans to have Georges rest for six weeks and then go into light training. Rickard hopes to have Dempsey in action again at Boyles thirty acres on Labor day, so Carpentier and Gibbons are not likely to meet until Columbus day, October 12.

Neither Gibbons nor his manager, Eddie Kane are in the city at present. Both have gone west after coming here to witness the big fight. It is known, however, that they are willing to sign up for a battle with Carpentier.

RICKARD UNABLE TO FIND GIBBONS

Carpentier Visits Newark to Witness Pictures of Saturday Fight.

By Associated Press.

NEW YORK, July 7.—Tex Rickard of the Dempsey-Carpentier contest, said Thursday that until he is able to locate Tom Gibbons he will be unable to make any definite proposition to Carpentier about a fight next fall. Carpentier is willing, he said, to fight with any good man in his class but he has had no further talk with him on the subject pending news from Gibbons.

Carpentier saw the pictures of the championship fight at Newark Thursday for the first time. His only comment was that they "showed a good fight." His manager, Francis Dempsey, said that it was evident from the pictures that Dempsey weighed nearer 125 to 130 pounds than the 185 pounds given as his weight before the fight.

"You can see," he said, "he was too big, too powerful, for my Georges."

GIBBONS SENTIMENT.

Since the Jersey City embroglio there has been a rising sentiment all over the country that Tom Gibbons be given a chance to prove his steam against either Dempsey or Carpentier.

And Gibbons is mighty willing. He has been after Bill Brennan for several months. Brennan wanted \$30,000 to risk what rating he now holds among heavies. But no promoter could be found to handle it.

Gibbons believes he is ready for Dempsey. And he may be.

It's his opinion that he is better than Brennan, that he and Carpentier would put up a battle really worth seeing and that in another year he can meet the champ at even money.

By Associated Press.

Babe Ruth Likes His Base Knocks

By DEAN SNYDER.

Babe Ruth likes his base hits as well as his home runs.

In a game with Philadelphia the other day, Big Bam socked one so high it had snow on it. Jimmy Dykes had time to run in and take a shower bath before grabbing the comet, but he missed it when it finally settled back to earth.

They gave Dykes an error for failing to pitch camp in the right spot. "How do you get hits around here, anyway?" yelled the disgruntled Babe. "By breaking a guy's leg, huh?"

Yeah, the big fellow likes his hits as well as the .140 hitter.

Nothing would please him better than to make Harry Heilmann, Ty Cobb and Tris Speaker take a back seat in the hit column.

Country Club Will Hold Senior Handicap Tourney

Country club members 50 years of age and over will have the opportunity Saturday of qualifying for the 1921 senior championship of Chain of Lakes. This is an annual event at the club and the prize is the Eldredge trophy. Joe Neff was the winner last year, but he will find plenty of competition this season as a number of senior members are playing exceptionally well at this time. This tournament is a handicap affair, the 16 lowest net scores to qualify, followed by 18-hole match contests once a week. The winner retains permanent possession of the cup which is donated by H. W. Eldredge.

SPEED LIMIT.

Charley Paddock seems to be able to equal the 100 yard record most any day he kicks up his heels.

But the standing record of 3-5 seconds apparently is the maximum for human speed.

The California flyer stands the best chance of any man living to clip it down another fraction of a second.

Some day Paddock will get all the breaks of the start, wind, etc., and plant his name down beside a new record in the little book.

Speed is a variable thing depending on the running gears.

This chap, Paddock, will step on a new gear one of these days and fly faster than the watches have so far credited him.

SAY IT IN "BLAH."

Pitcher Carl Mays of the Yankees has coined a new word to hurl at umpires.

It's "Blah."

When his umpire ruffles the submarine pitcher, he gets the "Blah" stuff submerged at him.

Umpire Chill contends that this newly coined word for baseball players is okay with him as it doesn't mean anything.

That's a good tip to other quick-spoken ball players.

Just say "Blah." It gives you the satisfaction of showing just how you feel about a thing without having to take a vacation and fine.

British Invader Is Golf Dynamo

George Duncan, English professional, thinks he has a good chance to cop American's National Open golf title this fall.

He won the English National Open a year ago at Dowl. But the peppery Jock Hutchison took his measure. In the recent matches at St. Andrews, Hutchison is a fast golfer, but Duncan is faster.

The Briton races around the links so fast his caddies can't keep up. He doesn't waste any time in making his shots.

Like Ray Player.

His idea of driving the ball is the same as that of the ball player who hits the first ball pitched.

Ted Ray, present holder of the American National Open title, plans to return to defend his honors.

In Duncan he'll face a worthy rival.

He toured this country in 1911, playing over 70 matches on this side.

Together with Abe Mitchell, England's long distance driver, Duncan will tour again.

They have scheduled 35 exhibition matches, most of which will be played in the east and middle west.

If it is possible to arrange a flying trip to the Pacific Coast, the English invaders will take it.

Good Team.

Duncan and Mitchell as a team are rated higher than the Ray-Vardon combination which invaded America last summer.

Ray and Vardon traveled over 40,000 miles and played 26,000 holes of golf while here.

Everywhere they went they were big drawing cards. They reaped a harvest of nearly \$50,000 on the American links.

American golf fans will see more speed when Duncan sails around the course than they've ever watched.

And after American caddies see him in action he'll have his troubles in hiring them.

FOREIGN GOLFERS ARRIVE NEXT WEEK

George Duncan, Abe Mitchell and Other British Stars to Play in U. S.

By JACK VELOCK.

I. N. S. Sporting Edr.

NEW YORK, July 7.—Quite a bit like the restless tides of the Atlantic ocean the scene of international golf is drifting westward.

Within the next week it will be washed upon our shores to hold a permanent place on the stage of sport during the remainder of the summer.

The influx of golfing stars will start with the Mauretania docks within the next few days, bringing Jock Hutchison of Chicago, British open champion, Abe Mitchell, George Duncan and others.

Others to Come Later.

A little later, incoming liners will bring the British stars, who plan to compete in the American championships and by the time the national open tournament commences around Columbia Country club, Chevy Chase, Md., July 19, the very best golfers in the world will be gathered here.

The first exhibition of consequence will be staged next Monday at the Pelham Country club, when Hutchison and Jim Barnes will oppose Abe Mitchell and George Duncan in a foursome. There will be many of these feature matches throughout the East prior to the start of the national championship.

Down on his sunny Kansas farm Jess Willard cogitates.

That he can soon be fit for Jack To draw 'em through the gates.

JEANETTE RANKIN WINS RICH STAKE IN INITIAL RACE

\$5,000 Tavern Stake For 2:14 Trotters Won by Filly Favorite.

CLEVELAND, O., July 7.—Mak-her initial start on the grand circuit, Jeanette Rankin raced like a veteran and won the \$5,000 Tavern stake for 2:14 trotters, Thursday's feature of the harness horse racing at North Randall. The filly captured the event in two straight heats. She was an overwhelming favorite in the betting.

Galli Curri, the mare for which Fred Cline of Indianapolis is reported to have paid \$25,000, was never prominent. She also was a first starter and raced green, finishing sixth in the first heat, eighth in the second and sixth in the third.

Only two favorites, Jeanette Rankin and Johnny Quirk won. In the first heat of the Tavern, Trumpeter and St. Patrick the Great, further delayed the start when they collided during the scoring. Except for a broken sulky no damage was done.

Jeanette Wins on Home Stretch.

St. Patrick the Great, took the lead at the start and held it to the stretch where Jeanette Rankin took command and never relinquished it.

Princess Elawah came from way back and dislodged Hilda Fletcher from second place. Jeanette Rankin set the pace throughout the second mile, and won easily, Princess Elawah, and Hilda Fletcher again finishing second and third respectively.

Princess Elawah had no trouble winning the final heat.

Mainlek fell from exhaustion at the conclusion of the second heat but soon revived and was taken to his stable. He was withdrawn from the third heat. The 2:06 pace went to Johnny Quirk. After finishing third in the first heat he captured the next two. The bettors received a bad jolt when Brookworthy, Tom Murphy's horse was defeated in the 2:10 trot, which went to the Toddler in straight heats. Brookworthy sold for \$1,000 in a \$1,700 auction pool.

Four Heats in 2:00 Pace.

It required four heats to decide the first division of the 2:00 pace which event early went to Wreck. He won the second and fourth heats.

NOT FALSE ALARM.

Long George Kelly of the Giants has come back to life again in the home run manufacturing business. He had a long layoff after his glorious start.

He's far from being a false alarm as a socker.

"Highockets" George has a fancy account book just the same.

It took him all year to garner 11 in 1920. He's already passed the dozen mark this season.

But he's got the home run knack now. He ought to get half as many as Babe will this year.

In another year or two, after Babe has quit knocking boards off of fences, Kelly may sit on the sweat throne.

SAINTS HAVE BIG INNING

By Associated Press.

ST. PAUL, July 7.—A seventh inning rally gave St. Paul a 9 to 6 victory over Louisville Thursday. Keob held the locals to two hits until the seventh when six singles and two doubles drove him off the mound.

Long relieved him with two men on, walked Miller, and then Boone doubled, clearing the bases. Score:

Louisville . . . 000 012 002—5 13 1
St. Paul . . . 000 000 90x—9 11 2
Keob, Long, Wright and Meyer; Hall, Kelly and Allen.

Pittsburg's Ace

WILBUR COOPER

Bearsboro, W. Va., is pulling for Pittsburg Pirates to clinch the National league mullin this year.

Pitcher Wilbur Cooper was born there 29 years ago.

He's having the best year he has had with the Gibeons since he came up to Smoke Town in 1912 from the Columbus American Association club.

Cooper just now is the National league ace. Up to July 1 he had won 13 starts and lost 2 for an average of .867.

Last season he worked in 44 games, winning 24 and losing 15.

Cooper is not a giant for size. He weighs
